immersion used to be disregarded by academic scholarship as a secondary aspect of ancient narrative it was mostly considered typical of a passive reading style unworthy of intellectual consideration however the study of the immersive strategies adopted by ancient authors can often reveal intriguing and sometimes unsuspected layers of sophistication in their works this makes a valuable contribution to our understanding of ancient literary culture this is the first monograph that thoroughly analyses how latin authors of narrative encourage their readers immersion in the fictional world an aspect of fictional literature that is essential to fully understand the artistry and sophistication of many ancient texts immersed readers of fiction experience the narrative world

and its inhabitants the fictional characters as if they were to some extent real this experience affects the readers visual imagination but also their emotional reactions physical sensations enactive responses and interpretive activities deeply engaging texts adopt various strategies to boost all these aspects of the reading experience they afford the book mobilizes the resources and methods of several scholarly approaches both traditional and new to explore these strategies in ancient prose and verse narratives detailed analysis of language and style is combined with a careful consideration of the more general features of ancient literary genres narratology joins forces with the study of emotions and with neurocognitive perspectives reader immersion is a pervasive aspect of all kinds of narrative literature but it is more prominent in some texts than in others in this study luca graverini analyses a broad range of ancient narrative works spanning several centuries and different literary genres in purely chronological order these include the comedies of plautus the aeneid of vergil the metamorphoses of ovid the tragedies of seneca the satyricon of petronius and the metamorphoses of apuleius the interpretive approach adopted in this monograph can attract the interest of many readers with different backgrounds and working on different subjects

an early crossroad in life is choosing a field of study at the university that will lay the foundation for the rest of our lives this book recorded the career choices of the first batch of 557 engineering graduates from the nanyang technological institute nti as ntu was known in 1985 engineering was then the only discipline offered the passage of 25 years yielded deep insights as these pioneers reflected on the impact of their engineering education on their careers demonstrating the reach and significance of engineering will arouse the curiosity and imagination of the young especially those good at maths and science our life stories showcase the options open to an engineering graduate if this book inspires some to take up an engineering education in general and at ntu in particular it will have achieved its purpose

this book provides an authoritative account of the evolution and application of private international law principles in india in civil commercial and family matters through a structured evaluation of the legislative and judicial decisions the authors examine the private international law in the republic and whether it conforms to international standards and best practices as adopted in major jurisdictions such as the european union the united kingdom the united states india s brics partners brazil russia china and south africa and other common law systems such as australia canada new zealand and nepal divided into 13 chapters the book provides a contextualised understanding of legal transformation on key aspects of the indian conflict of law rules on jurisdiction applicable law and the recognition and enforcement of foreign judgments or arbitral awards particularly fascinating in this regard is the discussion and focus on both traditional and contemporary areas of private international law including marriage divorce contractual concerns the fourth industrial revolution product liability e commerce intellectual property child custody surrogacy and the complicated interface of sharia in the conflict of law framework the book deliberates the nuanced perspective of endorsing the

ague conference on private international law instruments favouring enhanced uniformity and predictability in matters of choice of court applicable law and the recognition and enforcement of foreign judgments the book s international and comparative focus makes it eminently resourceful for legislators the judges of indian courts and other interested parties such as lawyers and litigants when they are confronted with cross border disputes that involve an examination of india s private international law the book also provides a comprehensive understanding of indian private international law which will be useful for academics and researchers looking for an in depth discussion on the subject

in the indian context

a story starting with the journey of a beautiful middle class family girl from south india to new delhi
