excerpt from kent s new commentary a manual for young men the first edition was issued four years ago it was a venture then

without prestige we sent it on its mission not knowing how it would be received by the impartial critic we were not a little anxious for its fate while waiting for the verdict we had not long to wait and we do not wish to be thought egotistical when we say that it surpassed our most sanguine expectations the press treated our efforts with marked consideration their reviews were generous complimentary and their commendations were unqualified fully endorsing the new commentary letters testimonial unsolicited came by the hundreds their tone was marked by the most emphatic language of approval the best book i ever read worth its weight in gold a capital book for young men and similar forcible expressions many of them came from distinguished personages about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

coverage of publications outside the uk and in non english languages expands steadily until in 1991 it occupies enough of the guide to require publication in parts

vols for 1903 include proceedings of the american physical society
