in contrast to many books on islam that focus on political rhetoric and activism this

book explores islam's extraordinarily rich cultural and artistic diversity showing how sound music and bodily performance offer a window onto the subtleties and humanity of islamic religious experience through a wide range of case studies from west asia south asia and north africa and their diasporas including studies of sufi chanting in egypt and morocco dance in afghanistan and muslim punk on line the book demonstrates how islam should not be conceived of as being monolithic or monocultural how there is a large disagreement within islam as to how music and performance should be approached such disagreements being closely related to debates about orthodoxy secularism and moderate and fundamental islam and how important cultural activities have been and continue to be for the formation of muslim identity

this in depth examination of the life history and influence of muhammad as discussed by leading scholars provides a wide ranging look at the prophet's legacy unlike any other in the field of islamic and culture studies within the islamic world the prophet muhammad's influence is profound but even outside of the religion of islam this visionary had a wide ranging impact on history society literature art philosophy and theology within this work's more than 200 a z entries internationally recognized scholars summarize views of muhammad from the earliest editors of the qu ran to contemporary muslim theologians this detailed resource explores the traditions ceremonies and beliefs of islam as they have spread worldwide and examines muhammad's role in other religious traditions as well as the secular world muhammad in history thought and culture an encyclopedia of the prophet of god distills 14 centuries of thinking about muhammad fully capturing his enduring legacy this encyclopedia will benefit any reader seeking a greater understanding of the founder of islam the fastest growing religion in the world no other publication discusses muhammad at such a high level of detail while remaining easily accessible to non specialist western audiences

traces the diverse ulama reactions to late nineteenth and early twentieth century state building and national cohesion in egypt

one of the most important sects in the islamic world sufism has had a long and active history yet it has been no stranger to controversy this has been particularly pronounced in modern times as radical islamic groups and modernist reformers have sought to identify sufism as a source of either unwelcome innovation or reactionary superstition this book focuses on the efforts of the sufis of egypt expressed in the writings of one of the order's sheikhs to meet the critical challenge the sheikh offers a vigorous defence of sufism in the context of controversial issues such as festivals processions congregational invocation and the principle of guidance by the sheikh he also touches on broader issues such as the metaphysical status of the prophet and the question of miracles considering these in a characteristically sufi light however he also downplays or reworks certain key elements of sufi belief and practice in an attempt to forestall hostile criticism in this book dr johansen discusses these ideas and places them in a broader context basing his analysis on material recorded at sufi gatherings in cairo between 1988 90 as well as published and unpublished texts

this is a general survey of the rise and development of islamic mysticism sufism up to the modern period which takes into account the latest achievements of scholarship on the subject sufism is examined from a variety of perspectives as a vibrant social institution a specific form of artistic expression an ascetic and contemplative practice and a distinctive intellectual tradition islamic mysticism by knysh is a comprehensive survey of the interesting and fascinating world of islamic mysticism

proceedings of an international conference held at the college de france in 2001 the book is a set of 27 contributions in english and in french of well known experts both in turkish and middle eastern history 11th 18th centuries and in the history of religions the aim was to draw a large picture of the religious richness and complexity of the seljuk and ottoman worlds and to comment on the consequences in terms of heresies and syncretisms two concepts which are currently revisited by the same token the influence of the dualistic doctrinal legacy is particularly put in light simultaneously the effects of the religious context upon ottoman society and politics are discussed extensively

this volume addresses the diversity of sainthood in islam with respect to rural and urban and metropolitan ideas practices and cults their networks and institutions ranging from ethnography and history to political science and social theory this work includes studies of places and the local cultural significance of sainthood its ethnic or genealogical origin the constitution of corporations and brotherhoods and drives for sacredness in algeria egypt germany and turkey georg stauth is an orientalist and sociologist who specializes on the middle east and has spent several years in southeast asia using this vantage point he observes the emerging ideas of a modern islamic future as forces of both local self assertiveness and transnational relations

this multidisciplinary volume challenges established ideas about the world of the swahili proposing a perspective that highlights the transitory shifting and plural character of east african coastal societies worldviews and identities the contributors give inside accounts of the broad spectrum of local perceptions of the world in the wider swahili context they demonstrate how these perceptions have been shaped by the interconnections of the east african coast with other geographical spaces and cultural spheres especially arabia the indian ocean and europe offering new insights into the interaction of local culture islam colonialism the postcolony and globalization the volume shows that the swahili belong to many worlds and continue to cultivate the interfaces between these worlds the book is the outcome of several years of collaborative research academic meetings and individual paper presentations coordinated by the editors under the umbrella of the collaborativ
